D17 Parliamentarian

Marshall Middle School

Hey StuCo! Hey what? Have you heard that Marshall Middle School is running for D17 Parliamentarian? No way!

Marshall Middle School is proud to announce that we are running for D17 Parliamentarian. With this being our first year running for an important district position, we would like to start off with a lower ranked position. For example, Parliamentarian. Every position is important, but we would like to get our feet wet before we jump in head first. Our campus platform will be #ICanHelp. Through this campus platform, Marshall will be working on positive social media. Have you posted something positive today? Marshall informs their students using social networking systems that can benefit a students education outside of school. So why couldn't Marshall use District 17 Student Council members to impact our society through social media? Well the answer is, we can! Electing Marshall Middle School for Parliamentarian will be one of the best decisions you could make in 2019. Are you ready to vote?
